Vaccination Certificate

(please print)

Exhibitors: Take this form to your veterinarian. This Vaccination Certificate must be completed and signed by a licensed, accredited veterinarian. The Ohio Department of Agriculture requires dogs to have current Rabies vaccinations. Please have your veterinarian document on this form whether your dog's Rabies vaccination is current for 1 year or 3 years by filling in the "Date Expires" blank. Additionally, the Ohio 4-H Dog Program requires that all dogs be vaccinated yearly for Distemper, Hepatitis, Leptospirosis, Parainfluenza, and Parvovirus for exhibition at the Ohio State Fair Dog Show. All vaccinations must be administered by a licensed, accredited veterinarian. **All vaccinations must be current through July 9, 2005.**

Rabies

Date Given _____ Date Expires _____

Product _____ Serial # _____

DHLPP

Date Given _____ Date Expires _____

Product _____ Serial # _____

With the exception of Rabies, specific vaccination requirements may be waived if the veterinarian initials the applicable box below.

I do not give Leptospirosis vac. I vaccinate antibody titer test
 I follow AAHA recommendations Other, please list _____

Clinic Information

Clinic Name _____

Mailing Address _____

City _____ State _____ Zip _____

Administering Veterinarian's Name _____

Veterinarian's Signature _____

Date _____ Clinic Phone (____) _____

Ownership Requirements

1. Dogs participating in all Ohio State Fair Junior Fair Dog Show activities must either be owned by the junior fair exhibitor or the exhibitor's immediate family. (Exception: Assistance Dogs) They must be in the continual care of the junior fair exhibitor for the duration of the project. *The date of ownership must be no later than April 1, 2005*, or earlier as the date specified by the exhibitor's county. Proof of ownership is the burden of the exhibitor and exhibitor's family. Hardship cases will not be considered for state fair participation.

Definitions

- a. *Immediate family* is defined as the junior fair exhibitor's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including the corresponding step and half relations, or by a member of the exhibitor's household.
 - b. *Continual care* is defined as the junior fair exhibitor being responsible for and involved in the feeding, cleaning, and caring of the project.
 - c. *Hardship cases* are defined as dogs that replace the original project enrolled by the exhibitor after the county's enrollment deadline, or no later than April 1, 2005.
 - d. *Ownership – Registered dogs*: The exhibitor's name, or a member of his/her immediate family's name, must appear on the registration certificate of a dog registered by AKC, UKC, individual breed registries, herding dog registries, etc. Co-ownership of a dog is permitted provided the exhibitor's name, or a member of his/her immediate family's name, is listed on the registration certificate. It is recommended that a copy of the registration certificate be on file in the county Extension office.
 - e. *Ownership – Non-registered purchased dogs*: A non-registered dog purchased from a private owner, pet shop, humane society, dog rescue, etc., must have the exhibitor's name or a member of his/her immediate family's name, on the bill of sale. It is recommended that a copy of this bill of sale be on file in the county Extension office.
 - f. *Ownership – Dogs found/gifts*: If a dog was given to the exhibitor or immediate family, or found by the exhibitor or immediate family, the exhibitor or a member of his/her immediate family receiving or finding the dog, should verify the date received or found by use of veterinary records, dog licenses, and other forms of records, and write a statement as to the definite or approximate date the dog was received as a gift or found. It is recommended that a copy of this statement be on file in the county Extension office.
2. Leasing a dog is not permitted for State Fair dog show participation. If counties have a leasing program, the leased dogs are not permitted to exhibit at the State Fair.

License Requirements: All dogs must be currently licensed in the exhibitor's county of residence. **The exhibitor must bring a certificate of license to health check. The dog license tag alone is not sufficient.** (Exception: Assistance Dogs) The exhibitor must pay a \$15.00 processing fee if he or she does not bring a certificate of license to health check and show officials must call his or her respective county auditor's office for verification. This fee must be paid prior to officials making the phone call.

Health Requirements

1. The Ohio Department of Agriculture requires dogs to have current Rabies vaccinations. Please have your veterinarian document on this form whether your dog's Rabies vaccination is current for 1 year or 3 years by filling in the "Date Expires" blank. Additionally, the Ohio 4-H Dog Program requires that all dogs be vaccinated yearly for Distemper, Hepatitis, Leptospirosis, Parainfluenza, and Parvovirus for exhibition at the Ohio State Fair Dog Show. However, if your veterinarian feels that administering the Leptospirosis vaccination would jeopardize your dog's health, it may be waived, and the administering veterinarian must initial the applicable box under the DHLPP section. If your veterinarian follows AAHA recommendations or vaccine antibody titer tests, the administering veterinarian must initial the applicable box under the DHLPP section.
2. All vaccinations must be administered by a licensed, accredited veterinarian. ***For the Ohio State Fair Dog Show, all vaccinations must be current through August 11, 2005.*** Note: Vaccination deadlines for county fairs may differ.
3. **Other certificates of vaccination, computerized vaccination records, pet record cards, or kennel records will not be accepted. It is the exhibitor's responsibility to make sure that all health requirements for State Fair are met.**
4. Any dogs exhibiting abnormalities or symptoms of sickness, disease, or parasite infestation as determined by the health check officials will be eliminated from the show and must be removed from the Fairgrounds. If a dog is under veterinary care for a health condition that is not infectious or contagious, the exhibitor must bring a health certificate from the attending veterinarian verifying the condition and treatment. Decision of the health check officials is final.
5. **Bitches showing signs of heat are not permitted to be shown and are not permitted on the Fairgrounds.** Each dog must go through a health check where all females will be checked for signs of heat. If a bitch shows **any** signs of heat, she will be eliminated from the show and must be removed from the Fairgrounds. Any bitch, which appears so attractive to males as to be a disturbing element, will be eliminated from the show and must be removed from the Fairgrounds. Decision of the health check officials is final. (Note: Check with your veterinarian several months prior to the show if you think your dog is due to be in heat during the show. He/she may be able to medicate your dog to delay estrus.)
6. *Pregnant and/or lactating (nursing) bitches are not permitted to be shown and are not permitted on the Fairgrounds.*
7. The exhibitor must pay a \$15.00 processing fee if information on the health certificate is incomplete and show officials must call his or her veterinarian for verification. This fee must be paid prior to officials making the phone call.

► Make sure your veterinarian fills in **ALL** of the blanks! Be sure your veterinarian prints his/her name on the line labeled "Administering Veterinarian's Name" and signs his/her name on the line titled "Veterinarian's Signature." Be sure he/she fills in the date and clinic phone at the bottom of the certificate.
