Dear 4-H Members enrolled in Clothing and Textiles Projects:

Enclosed is a copy of the style show narration form you will need to complete and bring with you to 4-H project judging on July 12. **Judging will be at the Chieftain Center.** Members enrolled in all Clothing and Textile Science projects listed on page 35 & 36 of the Project Guide should complete the narration form and plan to participate in the style show. If you constructed a garment, remember to attach a swatch of your fabric(s) to the style show form.

See enclosed project requirements sheet for details regarding each project.

The 4-H awards program and style show will be on Thursday, July 17, at the Logan Middle School Theater at 7 PM. We **HIGHLY** encourage youth to participate in the Style Revue Fashion Show the night of the awards. Plan to arrive by 6 PM on July 17 if you'd like to practice modeling before the style show. Please arrive by 6:45 PM to line up for the style show if you don't need to practice modeling.

All 4-H members are required to participate in project judging or the livestock skill-a-thons with one project – although they are encouraged to participate in all their projects. If you cannot attend judging on July 12, please call OSU Extension, Hocking County at 385-3222, to make an appointment for make-up judging which will be held in the Youth Center on July 21-23. Note that make-up judging is not eligible for project judging awards.

As always, feel free to call OSU Extension at 385-3222 if you have any questions.

Kayla Nihiser
Extension Educator, 4-H Youth Development
