

Hocking County Endowment Fund

As a member of our community, you have an opportunity to support your Hocking County 4-H Youth Development Program by contributing to our county endowment fund. Our endowment is a permanent account, funded through donations, and we have full control over the interest income generated by our endowment.

The endowment, managed by The Ohio 4-H Foundation through The Ohio State University Foundation, will be a permanent investment for the future of Hocking County youth. The Hocking County 4-H Youth Development Program will use the interest from the funds to support the 4-H program. As the endowment grows, the dollar amount received back will also grow, allowing more dollars to be used in support of our youth.

- Any support of The Ohio State University, such as President's Club contributions, can be directed to the Hocking County 4-H Endowment Fund.
- Contributions are a proper deduction on your federal income tax return.
